🎯 Classify life situations as clearly lawful, clearly unlawful or doubtful

📖 **Read the text · Textbook V1 p.79**

1 Evaluate and discuss: You're offered a fast-profit app of unclear origin. How does the hadith «the lawful is clear, the unlawful is clear, and between them are doubtful matters» help you decide?

Hint: Identify what is doubtful and what «protecting one's religion and honour» means here.

2 Analyse the situation: what is wrong, what is the right action, and what is the evidence?

You find a product at half price in an unknown online shop — unclear source, maybe fake. Do you buy it? How do you deal with what isn't clear?
