لم يرتابوا (Lam yartabu): did not doubt **Yamunnun:** count it as a favour

1 **Evaluate and discuss: A classmate says: «I'm better than others because I pray and fast.» Analyse this using ﴿rather Allah has conferred favour upon you by guiding you to faith﴾.**

Hint: Distinguish gratitude for guidance from arrogance towards others.

2 **Analyse the situation: what is wrong, what is the right action, and what is the evidence?**

One said proudly: «I'm more religious than everyone.» Another said: «Praise be to Allah who guided me.» Which one truly feels the blessing of faith?
