[Al-Waqiah: 27–36]

📘 Key words

مخضود (Makhdud)	thornless
سموم (Samum)	scorching wind
Al-hinth al-'azim	the great sin

💡 Main ideas

1. The people of the right are among thornless lote trees, layered banana trees, extended shade, flowing water and abundant fruit, neither cut off nor forbidden.
2. The people of the left are in scorching wind and boiling water, in the shade of black smoke, neither cool nor pleasant.
3. The causes: «They used to live in luxury and persist in the great sin», and they denied resurrection.
4. Their food is from the tree of Zaqqum, and they drink boiling water like thirsty camels: «This is their welcome on the Day of Judgement.»

✅ Lessons we take

1. Paradise's blessings never end.
2. Luxury that makes people forget Allah leads to ruin.
