Amanah: a trust to be protected **Ya's:** despair

📘 Key words

Amanah	a trust to be protected
Ya's	despair

💡 Main ideas

1. Life is a trust its owner does not own: «Do not kill yourselves; Allah is ever Merciful to you.» Taking a life is a major sin.
2. A man fought fiercely alongside the Prophet ﷺ, but when wounded he did not endure and took his own life; the Prophet ﷺ said he was among the people of the Fire, because what counts is patience and how one ends.
3. Protection comes through faith and accepting Allah's decree, prayer and remembrance, never despairing of Allah's mercy, and talking to family, a teacher or a professional when feeling low.
4. Endangering oneself also includes reckless driving, taking harmful substances and needless risks to life.

✅ Lessons we take

1. Your life is precious.
2. Asking for help is brave.
3. Never keep a friend's danger secret.
