📘 Key words

ضرار (Darar)	harm
ضرار (Dirar)	reciprocal harm

💡 Main ideas

1. The Prophet ﷺ said: «There should be no harm and no reciprocating harm», one of his concise yet comprehensive sayings.
2. Darar is causing harm to others first; dirar is answering harm with harm; both are forbidden.
3. Applications: forbidding harm to neighbours, harm in wills, divorce and nursing, and laws protecting the environment and consumers.
4. Samurah ibn Jundub had a palm tree in an Ansari man's garden and kept entering it, harming him; the Prophet ﷺ told him to sell or gift it, and when he refused said «You are causing harm» and ordered it removed.

✅ Lessons we take
