Sunan: fixed laws

1 Evaluate and discuss: Choose a society or civilisation that rose then declined, and explain it with one of the Qur'an's social laws.

Hint: ﴿Allah does not change a people until they change themselves﴾.

2 Analyse the situation: what is wrong, what is the right action, and what is the evidence?

Great civilisations rose and fell. Was it chance, or are there fixed laws governing the rise and fall of nations?
