Taqlid a'ma: blind imitation

1 **Evaluate and discuss: A dangerous social-media «challenge» spreads and students copy it. Analyse it in light of the Qur'an's criticism of blind imitation, and propose three questions to ask before copying.**

Hint: Is it beneficial? Does it fit my faith and values? What are the consequences?

2 **Analyse the situation: what is wrong, what is the right action, and what is the evidence?**
A dangerous «challenge» spreads on TikTok and thousands of teenagers copy it without thinking. Why do people imitate blindly, and what does the Qur'an say about it?
